## TEXAS U. HAS 6 LETTER MEN ON ITS SQUAD

Longhorns Will Meet Tigers in the Season's Opener Jan. 1 at Rothwell Gymnasium.

ARE ON A TEN DAYS' TOUR Southerners Are Captained by P. A. Peyton, an All-Southwestern Conference Forward.

Six letter men, including two who carry All-Southern honors as the greatest in the South, will come here this week with Coach Milton Romney's University of Texas basketball team. They will meet the Tigers here New Year's night for the first Tiger preliminary game of the season and the final game for the Orange and White after a long northern trip. They have been touring since December 23.

The Longhorns left Austin last Saturday night and practiced Christmas night at Des Moines University. Tuesday they played Des Moines and Wednesday night met Simpson College at Indiana, Iowa. Last night they played Southwestern University at Winfield, Kansas, and tonight the two teams meet again at Arkansas City, Kan. Tomorrow night they play the Chiles Indians at Ponca City, Okla., and then they come here to meet the Tigers at Rothwell Gymnasium Monday night.

They are captained this year by P. A. ("Pap") Peyton, an All-Southwestern conference forward last year. He is the

## THE TEXAS CAPTAIN

P. A. ("Pap") Peyton, of Washington, D. C., who was chosen as a forward on last year's All-Southwestern Conference basketball team.

individual star of the team. Peyton is strong on the defense and is also a power in the offense, playing the entire floor. He dribbles well and is exceptionally accurate in placing the basket.

Ed Barrett and Vernon Schulhardt are two other forwards from last year's team and are men to be feared. Accuracy seems to be their long suit as they are a power at caging the sphere from almost any angle of the floor. Barrett is not large but his speed and accuracy make him a dangerous man for any team to go against. Schulhardt is a football man and his towering figure goes a great way towards his effectiveness.

Ivan Robertson is a football player on the Longhorn team and was selected for a position on the mythical All-Southern team. He is one of the guards who has proved that he is as great on the basketball court as on the gridiron. He was a halfback on the football team and won distinction by leading the conference in the number of field goals kicked in the South.

Curtis and Gilstrap are the two other guards Texas will bring here. Both are last year Texas letter men in basketball and this year each has earned football letters. Both are powerful but lack schooling in the tossing game.

Captain A. G. ("Swede") Swenson, this year's football leader at Texas, will probably be the choice of Coach Romney to fill the center position for the basketball team this year. Swenson was a center on the football and selected for the mythical team on the South.

Joe Ward, a 204-pound tackle on the football team is another gridiron star who will come here with the Texans. He plays a guard.

The team will arrive in Columbia Sunday and will stay here until Monday night when it plays the Tigers and will then return to Austin. It will have completed a basketball tour covering ten days and will have played six games. This trip is made to condition the players before the beginning of the Southwestern Conference.

TRACK EQUIPMENT AND SUITS READY FOR SQUAD Varsity Can Get Them Today and Tomorrow—Freshmen Wait Until Monday.

In view of the fact that the Missouri track team faces one of the most extensive track schedules they have ever had, Coach Robert Simpson issued a call yesterday for all Varsity men to report to the gymnasium today and Saturday for equipment.

Freshmen will be given equipment Monday. Those men who are required to take military physical education this semester and wish to go out for track will be excused from this work by reporting to Coach Simpson at the gymnasium.

AGE LIMIT CAUSES TROUBLE New York Commission Bars Boxers Over 38 From State.

By Consolidated Press Assn. (Copyright 1922). New York, Dec. 29.—It appears as though the Willard case is likely to get into politics in New York.

The present athletic commission headed by William Muldoon some months ago placed an age limit on boxers saying no fighter over 38 years of age may indulge in a bout in New York state. Tom O'Rourke, who has many Democratic friends, rises to ask where Muldoon gets that stuff, affirming that Billy Muldoon himself was wrestling at a more advanced age than that and intimating that if Muldoon doesn't look out he may learn he is beyond the age limit for the boxing commissioner's job.

O'Rourke also states positively that the fans can rest assured that Willard and Dempsey will meet at the Polo Grounds next summer. Willard is getting younger every day. According to estimates he was close to 40, if not older, when he met Dempsey at Toledo. Now comes word from the West coast that Jess is just 37.

## TRACK TEAM'S SCHEDULE NOW IS COMPLETED

Bob Simpson Arranges Twelve Contests for the Cinder Men and Weight Throwers.

## 9 CONFERENCE MEETS

Intensive Training Will Begin Monday for Varsity and Freshman Track Aspirants.

Probably the stiffest track schedule Missouri has ever had or will have in years to come, has been arranged for the team this year. Twelve meets, nine in the Valley and three out, have been scheduled. According to the dates set they will cover a period of five months. The first meet comes in February and the last, June 16 and 17.

The Missourian printed a story yesterday to the effect that Missouri had scheduled her ninth meet for the term but was not aware of three meets that have not been scheduled with tentative dates.

According to Coach Robert Simpson yesterday, Missouri will journey this year to the Illinois Relays, the Western Conference meet at Ann Harbor, Mich., and to the National Collegiate at Chicago to complete the twelve-meet schedule. Nine meets have been arranged with Valley schools.

The schedule calls for three meets to be held in Kansas City at Convention Hall. These meets are annual affairs for the teams. The first of these is the K. C. A. C. Invitation held there February 16. The others are the Missouri-Kansas annual indoor on March 9 and the Missouri Valley indoor on May 22 and 23.

This is the completed schedule for the present term:

February 16, K. C. A. C. invitation meet, Kansas City.

March 2, Illinois Relays at Urbana.

March 9, M. U. K. U. indoor at Kansas City.

March 22 and 23, Missouri Valley indoor at Kansas City.

April 19 and 20, Kansas Relays at Lawrence.

April 26 and 27, Drake Relays at Drake.

May 4, High School day preliminaries to be run off here at Rollins Field.

May 5, Saturday morning, Missouri-Kansas Aggies annual track meet. Saturday afternoon, the annual High School track and field meet.

May 12, Oklahoma-Missouri meet at Columbia.

May 19, Kansas-Missouri meet at Lawrence.

June 1-2, Western Conference meet at Ann Arbor, Mich.

May 25-26, Missouri Valley Conference meet at Ames.

June 8-9 or 16-17, National Collegiate at Chicago.

At a glance into the past years Missouri's record at these meets shows that Missouri has done the impossible in carrying off honors at each of the meets entered. The team will be hampered in its work by the loss of men who leave the University at the close of the middle part of April. Several valuable men of the track personnel have been lost in this way but nevertheless Missouri has made her showing at these meets and carried away every school in the Valley. Prospects this year are not the best but are as bright as they have ever been in the past.

Intensive training will begin on the Tiger cinder and board tracks Monday, and according to Coach Simpson, work that has never before been experienced by track aspirants here will be the routine that will be carried out until the season closes June 17.

Army Will Play Navy in New York. New York, Dec. 29.—The 1923 Army-Navy gridiron game will be staged in New York City, according to the announcement of Col. H. J. Koehler, who is in charge of physical education at West Point.

Taylor May Meet Pancho Villa. By United Press. CHICAGO, Dec. 29.—Bud Taylor, the Terre Haute wildcat, has signed with Tom Andrews, Milwaukee promoter, to fight Pancho Villa in the Cream City on January 15. Andrews then made a very good offer to Manager Churchill, who is looking out for Villa's interests.
